

LACCATO

gp PORTE®

**L'AZIENDA
THE COMPANY**

Nata nel 2002, GP Porte è un'azienda giovane e dinamica che opera nel settore della produzione e del commercio di porte in legno, laminato e vetro. Con sede a Torano Castello Scalo, in provincia di Cosenza, si sviluppa su un'area di 7.000 mq, tra laboratori di produzione e show room.

Born in 2002, GP Porte is a young and dynamic company which works in production and trade sector of wood, laminate and glass doors. Its headquarters are set in Torano Castello, in the province of Cosenza, Calabria, Italy: it develops in a 7.000 sqm area, between production laboratories and show rooms.

Nel corso degli anni, l'azienda si è affermata investendo sulla qualità dei materiali (made in Italy), sulle tecnologie di produzione e sulle risorse umane; tutto ciò le ha permesso di affrontare le sfide del mercato, sia a livello nazionale che internazionale, e di ottenere la certificazione ISO 9001, garanzia di qualità ed efficienza.

Over the years, the company has affirmed itself by investing on materials quality (made in Italy), on productive technologies and on human resources; this allowed it to undertake market challenges both on national and international level, and gain the ISO 9001 certification, quality assurance and efficiency.

Un mix di tradizione e innovazione per realizzare prodotti che vanno dal classico al moderno, con soluzioni sempre più all'avanguardia. Ogni singolo passaggio di produzione viene seguito con attenzione e minuzia dal team aziendale, capace di andare oltre gli standard e di trasformare un'idea in un prodotto totalmente personalizzato fin nei minimi dettagli.

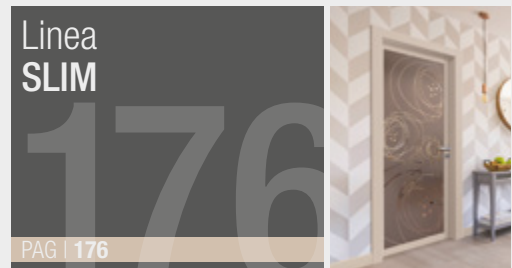

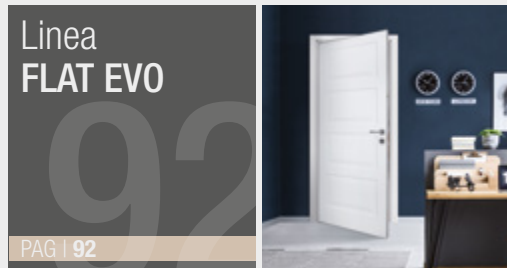

A mix of tradition and innovation to realize products which go from classic to modern, with solutions more and more at the forefront. Every single production step is followed with attention and details care by the company team, which can go beyond standards and transform an idea in a product totally customised even in the minimum details.

L'offerta proposta da GP Porte risulta perfetta per chi ha particolari desideri da esaudire in quanto comprende un'ampia gamma di porte realizzate su misura, di ogni forma e con qualsiasi decoro, garantendo sempre l'affidabilità e la solidità del prodotto.

The offer proposed by GP Porte is perfect for someone who has wishes to fulfill because it consists of a wide range of doors tailored with every shape and decor, always ensuring reliability and product solidity.

Indice / *Index*

Le porte laccate di GP Porte sono progettate per soddisfare nuove esigenze funzionali, rispettando le tendenze del design moderno e senza trascurare l'intramontabile eleganza del gusto classico. Le porte vengono lavorate artigianalmente con materiali naturali e finiture di pregio, peculiarità immancabili che ne testimoniano la qualità e conferiscono calore e prestigio allo spazio in cui sono inserite.

GP Porte ripone molta attenzione alla cura dei dettagli dando vita a linee capaci di interpretare e rispondere a determinate esigenze di spazio e arredo. Dal tipo di apertura all'essenza, dall'incisione al decoro, l'azienda offre una grande varietà di opzioni, rendendo ciascuna porta unica e originale.

GP Porte lacquered doors are designed to satisfy the latest functional requirements, by respecting the modern design trends and without forgetting the classic taste elegance. Doors are handcrafted with natural materials and quality finishes, unmissable features which represent quality and give prestige in space where they are located.

GP Porte pays much attention to details care by creating lines capable of interpreting and responding to specific space and furnishing needs. From opening system to essence, from the incision to decor, our company offers a wide range of options, making each door unique and original.

LACCATO *LACQUERED*

LACCATO E VERNICIATO ESCLUSIVAMENTE BIOLOGICO.

Da sempre all'avanguardia nella tecnologia dei materiali, e nella ricerca di sistemi produttivi a basso impatto energetico ed ambientale, la **GP Porte** vanta l'utilizzo di una vasta gamma di vernici tutte rigorosamente a base d'acqua.

Scegliendo le nostre porte, oltre a rendere più bella la tua casa, contribuirai a salvaguardare l'ambiente e coloro che ci vivono.

LACQUERED AND PAINTED EXCLUSIVELY ORGANIC.

Always at the forefront in materials technology and productive systems research with low energy and environmental impact. GP Porte boasts the use of a wide range of paints, all strictly a water base.

By choosing our doors, in addition to making your home more beautiful, you will contribute to safeguard the environment and those who live there.

gp PORTE®

The logo for GP PORTE, featuring the letters "gp" in a large, white, lowercase font, followed by "PORTE" in a smaller, white, uppercase font. Below the text is a horizontal bar with the colors of the Italian flag: green, white, and red.

Linea CLASSIC

Linee semplici, versatilità e tinte originali sono i tratti principali della collezione Classic. Dettagli delicati ed essenziali capaci di soddisfare qualsiasi esigenza stilistica di arredo.

Simple lines, versatility and original colours are the main features of the Classic collection. Delicate and essential details can satisfy every stylistic furnishing need.

Linea SUBWAY GP

Su/On **CLASSIC**

Subway GP è il nuovo concept di porte laccate e incise, che conferisce uno stile urban ed essenziale ai vostri ambienti moderni. Un incontro di linee multidirezionali, ispirate alle inconfondibili mappe delle metropolitane nel mondo. Scegli la città che preferisci e il colore più adatto alle tue esigenze. Ideale anche per luoghi di lavoro e strutture commerciali, lasceranno un segno indelebile.

Subway GP is the new concept about lacquered and engraved doors, which gives an urban and essential style to your modern environments. A meeting of multidirectional lines, inspired by the unique metropolitan maps worldwide. Choose the city you like most and the colour which best suits your needs. Moreover, it is ideal for workplaces and commercial buildings. They will leave an unforgettable mark.

- In caso di porte fuori misura o doppie l'incisione continua su tutti i pannelli formando un unico disegno.
- A prescindere dal verso di apertura della porta, il disegno non cambia.

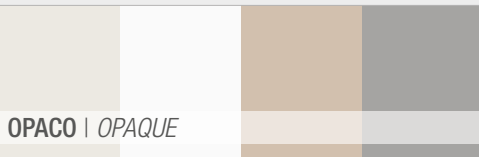

Solo ad ordine confermato è possibile richiedere una simulazione grafica del disegno finito.

- In case of oversized or double doors, the incision will continue on all the panels creating a unique picture.
- The picture will not change, regardless of opening way.

Only with a confirmed order, the customer can ask for a graphic simulation of the finished design.

Linea FORMULA GP

Su/On **CLASSIC**

Formula GP rivoluziona il concetto di porte inciso riprendendo le forme dinamiche e sinuose dei celebri circuiti internazionali F1, e trasformandole in espansioni astratte ed estremamente decorative. Adatta alle anime più sportive come a quelle artistiche, questa linea esclusiva arricchisce il design di case moderne e uffici. Coniuga la passione per la velocità con la matrice concentrica del materiale ligneo originario.

Formula GP revolutionizes the concept of engraved doors by taking up the dynamic and sinuous shapes of the famous international F1 circuits, and turning them into abstract and extremely decorative expansions. This exclusive line enriches the design of modern homes and office. Moreover it is suitable for the more sporting souls as to the artistic ones. In fact, it combines the speed passion with the concentric matrix of the original wooden material.

Linea EPIC

Su/On **FANTASY**

La decorazione scolpita sul pannello è una lavorazione manuale che caratterizza la linea Epic. Un mix di originalità ed eleganza, adatto ad ambienti sia classici che moderni, che propone modelli eccentrici ma mai eccessivi.

The decoration carved on the panel is an handmade process that characterizes the Epic line. A mix of originality and elegance, suitable for both classic and modern environments, which proposes eccentric but never excessive models.

Su questa linea è disponibile di serie il

Linea SLIM

Studiate per soddisfare le nuove tendenze in materia di arredamento per interni, le porte della collezione Slim possiedono una struttura di base sottile in legno massiccio, realizzata con l'intento di donare al prodotto l'idea della leggerezza. I modelli ideati si adattano perfettamente agli ambienti dal design contemporaneo.

Slim Line doors are studied to satisfy new trends in interior design. They have a slim base structure made by solid wood, realized with the aim to give a lightness idea to the product. Models perfectly suits contemporary design environments.

Linea INNOVATIVE BEND

Su/On **FANTASY**

Porte ad arco e porte curve caratterizzano la linea Innovative Bend, i cui modelli contribuiscono a personalizzare l'ambiente. I particolari che delineano la collezione conferiscono personalità e carattere all'arredo indipendentemente dallo stile che sia tradizionale o moderno.

Arched and curved doors characterize the Innovative Bend line, whose models help to customize the environment. The details which outline the collection, give personality and character to the furniture regardless of the style traditional or modern.
